- Rotating shifts as required
- Fully remote

PROFILE

Information Technology student at the University of Sciences, Hue University (expected graduation: November 2026) with hands-on, customer-facing retail experience at GO! Huế. Advised customers on product choices, handled sales and payments at the counter, answered product questions, and helped resolve customer complaints. Brings basic IT skills, experience with office tools, email and basic CRM/ticketing systems, plus an English B1 certificate. Responsible, detail-oriented and a clear communicator — ready to learn new customer service systems and to work full-time, on rotating shifts, fully remote.

EXPERIENCE

Sales Staff

2024 – 2025

GO! Huế · Colgate Toothpaste Counter · Huế

- Advised customers face to face and helped them choose suitable products based on their needs.
- Answered basic product questions clearly and accurately.
- Supported customers throughout the purchase; processed sales and payments at the counter carefully and accurately.
- Helped handle customer complaints and on-site issues — listening carefully, clarifying the problem and resolving it in line with store procedures.
- Arranged, checked and restocked products to keep the assigned area organized and accurate.
- Coordinated with colleagues and followed retail workflows and work requirements.

Transferable to remote customer service: Customer Communication · Complaint Handling · Active Listening · Attention to Detail · Process Compliance · Teamwork

EDUCATION

Bachelor of Information Technology

Expected Graduation: Nov 2026

University of Sciences, Hue University

- IT background that helps with learning, navigating and accurately using digital tools and internal systems.

ADDITIONAL INFORMATION

- **Customer approach:** Listen → Understand → Respond → Resolve → Follow procedure, built through daily, direct customer interaction.
- **Willing to learn:** internal systems and databases, OTA platforms, chat/email/social media support channels, and SLA/KPI standards for customer experience.
- **Data care:** committed to recording customer information accurately and keeping it confidential.
